Subject: put all taxpayer dollars into development in usa to stop the shipping chain from china

i am against transferring any more american tax dollars to any other country most of our tax dollars goes to dictators who take all the money for themselves and it does not help other countries at all. it is a waste. we need to stop the wholesale spending under Biden. he is bankrupting the USA. the spending needs to be cut massively. this comment is for the public record., we need also that all people need to work who are capable of working. nobody should get to hide out in their basement and watch the checks come in. this comment is for the public meeting. jean public jean [public1@gmail.com](mailto:public1@gmail.com), please receipt.
